

# ACTIVITIES AND EXPERIENCES

## Everything American

Does a little piece of your heart belong to America, do you have good memories from there or would you simply like to experience something fun and different? Welcome to 'The American Lista'! The Lista peninsula has a long history of emigration to America. Enjoy a day packed with 'over there' experiences, from history, shopping to food and music.

## Veloped trip on the Flekkefjord Line

One of the most popular activities in Flekkefjord is cycling along the rails of the old Flekkefjord Line. Every year, thousands of people cycle the 34-km long route and are rewarded with a nature experience that is truly out of the ordinary. Enjoy a day in beautiful surroundings with a packed lunch in your rucksack.

## Town walk

Farsund is a lovely coastal town with many sights and attractions. It has an exciting history, ranging from privateering and emigration to witch burning. Go on a lovely walk in the town of Farsund with your own guide who will take you through the town's rich and interesting history.

## A day on the fjord

The fishing vessel Solstrand was built in Svege in Flekkefjord in 1936. In the olden days, it fished for herring and prawns. It was given protection status as a museum vessel in 1989, and now makes many trips during the summer season. Lean back for a great day on the fjord listening to the waves and enjoying tasty fare.

## Action-packed fun

Do you enjoy high-speed thrills? If so, the go-cart track in Lista is the place for you. A lot of voluntary effort by many enthusiasts has gone into creating this great motor-sport facility, which opened in 2008. The track is 750 metres long, and is used a great deal by locals and visitors of all ages.

## Local flavours

Beer is popular, and many large and small breweries are popping up that are producing interesting and unique beers for their region. One of these is the newly started Farsund Brewing Company, which is run by a gang of beer enthusiasts from the district. Here, you can go on a guided tour of the production facilities, taste some of the beers and learn about their history.

# ACTIVITIES AND EXPERIENCES

## Historic walk in Knaben

Knaben in Kvinesdal was built around the mining industry, and is known for its molybdenite mines. Molybdenite was important in the armament industry and the Germans built large forts around Knaben during WWII. Allied bombers attacked the mines twice in 1943. Visit the mines and the museum accompanied by your own guide.

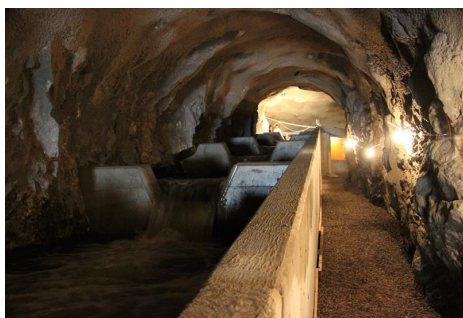

## For the golf enthusiast

Utsikten Golfklubb was voted Norway's golf gem in 2007. Refreshing tranquillity around large lush greens and soft fairways. Whether you choose the 18 or 9 hole course, you will find both challenges and relaxation in the spectacular scenery. Pure meditation from the heathland to the mystical forests and great views.

## Cycling under the open skies

What's better than enjoying the day from the seat of a bike. See new places at your own tempo and get a bit of exercise to boot. You can choose between a long trip along the country roads or off-road biking in forests and outlying land. You can do the trips on your own or with a guide.

## Salmon trip and visit to a vineyard

Kvåsfossen waterfall. By means of the salmon stairs in the tunnel, the salmon can swim up the river to spawn. This is a great experience that concludes on the way back with a visit to the vineyard Kvelland Vingård, where you are given a guided tour and a bite to eat.

## Southern Norway's 'dance hotel'

Farsund Fjordhotel is considered Southern Norway's 'dance hotel'. It hosts a number of dance and country music events every year. Popular and well-known artists play at the hotel, and guests dance into the early hours. We are also happy to customise other music concepts if you want.

## Experience Lista

Lista has a wide range of cultural and historical attractions. This trip takes you to the German coastal fort Nordberg Fort, the military museum, Lista Lighthouse, the rock carvings at Penne, Listaskøyta activity centre, and more. Lista is also a great place for bird watchers and fauna enthusiasts.
